To Whom It May Concern

This notification is to confirm that Sycamore Valley Academy is currently delivering instruction through distance learning under the Governor's mandate as Tulare County remains in the widespread tier based on COVID-19 metrics. At this time, all students are engaged in learning through distance learning, which is a combination of synchronous (live) and asynchronous (independent) instruction which commenced on August 12, 2020.

We will continue delivering instruction through distance learning until further notice.

Sincerely,

A handwritten signature in black ink that reads 'Donya Ball'.
